

## **MESSAGE FROM THE MINISTER**

(To Elected Members and CEOs)

### **ADJUSTMENT OF FEES & CHARGES Local Government (General) Regulations 1999 Private Parking Areas Regulations 1987**

Regulations have been made to increase two sets of prescribed fees within the Local Government portfolio:

- under regulation 11 of the *Private Parking Areas Regulations 1987* in relation to expiation fees payable to Councils; and
- under Schedule 2 of the *Local Government (General) Regulations 1999* in relation to fees payable with respect to a review of a valuation by a valuer engaged by a Council.

A number of expiation fees in the *Private Parking Areas Regulations 1987* are being increased to a level that retains parity with equivalent or similar expiation fees under the *Road Traffic Act 1961*, which are similarly being increased.

The fees associated with a review of a valuation by a licensed valuer engaged by a Council (s.169 of the *Local Government Act 1999*) are being increased to a level that is consistent with fees associated with a review by the Valuer-General pursuant to the *Valuation of Land Act 1971*, which are similarly being increased.

Schedule 2 of the *Local Government (General) Regulations* also prescribe a fee of \$10 in respect of an application for a certificate of liabilities under section 187(3)(e) of the *Local Government Act 1999*. This fee remains unaltered.

The regulations are available in the Government Gazette of 20 June 2002.

**The regulations come into operation on Monday 1 July 2002.**
